

Living in the Shadow

We got art in order to not
die of the Truth
And we continue to live in the shadow of the bomb
living living in the shadow of the bomb

You can't tell me the political reality
of our modern age
dictate we blow ourselves away
we may just blow ourselves away

World governments, world governments
where the hell are we now
living in mortal fear of the bomb
world governments, world governments
where the hell are we now
living in mortal fear of the goddamm bomb
God damm the the bomb
all people's damm the bomb
the great spirit damm's the bomb
Jesus damm the bomb
